Discover bombillas from durable stainless steel for everyday sipping to timeless silver designs crafted for a lifetime.

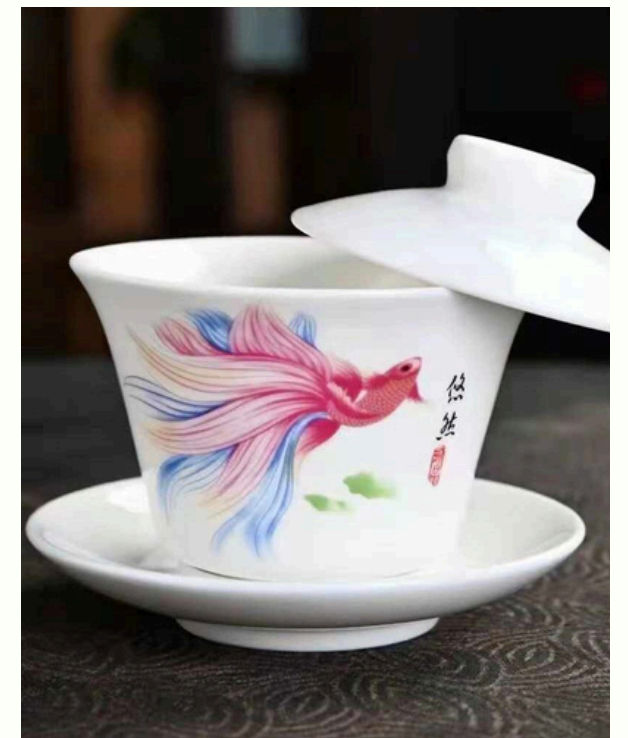

Thermoses

Our selection of thermoses available in a variety of colors and styles.

Tea Ware

Explore our refined porcelain and glass tea sets tailored for our premium tea selection. Each piece combines beauty and function for both daily use and special occasions..

” To truly appreciate the quality of our tea, you have to experience it for yourself!

TEA

Premium quality guaranteed

All our teas are supplied in full compliance with European quality standards. Each batch undergoes laboratory testing to ensure it meets these standards, allowing us to confidently guarantee the quality of our products.

A curated global selection

Our portfolio features both renowned and rare teas sourced from China, Taiwan, Japan, Kenya, Georgia, India, and beyond. From classic everyday brews to rare varieties reserved for traditional tea ceremonies, we offer something for every tea lover.

Tea powders beyond matcha

Our range of tea powders includes not only matcha but also green tea, oolong, pu-erh, and unique blends with natural flavor infusions. These powders are a popular choice for crafting beverages and other tea-based products.

COFFEE | COCOA | SWEETS

- Our portfolio includes premium coffee brands from the ***Dominican Republic*** and ***Brazil*** - two countries globally known for their outstanding coffee production. These origins are recognized for their rich soils and ideal climates.
- Complementing our coffee offerings is our selection of ***natural cocoa*** from ***Cocoa Becks***. Sourced with care, this product retains its authentic character and deep flavor profile, suitable for gourmet recipes or elevated beverage experiences.
- We also offer a curated range of sweets, showcasing excellence from globally recognized brands:
 - Havanna Alfajores*** – Crafted by the iconic Argentine brand known for its refined dulce de leche fillings and delicate pastry layers.
 - Chocodates*** – A luxurious specialty from Dubai, offering a unique blend of rich chocolate and naturally sweet dates.
 - La Preziose*** – Produced in southern Italy, this artisanal jelly represent traditional Mediterranean fruit preservation.

OUR KNOW-HOW

We produce yerba mate under our own brands in the heart of Europe - right here in Prague. Our leaves are carefully sourced from the legendary growing regions of Brazil, Argentina, Paraguay and Uruguay, bringing a rich spectrum of flavor and tradition.

Alongside our mate blends, we also offer a wide range of yerba mate products and drinks.

YERBEE

Under our own brand "**Yerbee**" we proudly produce **organic** yerba mate, *the only product line* that connect the whole South American tradition.

YERBEE Yerba Mate Kombucha

We created a perfect balance of traditional organic Yerba maté with the sparkling, tart, and sweet flavor of fermented kombucha.

YERBOX

"**Yerbox**"- our yerba mate sets for you and your loved one, created from selected yerba mate brands and accessories.

Tea Powder

Here will be the discription for tea powder

OUR BENEFITS

We ensure our products meet the highest standards, starting with carefully selected, certified Yerba Maté and Tea. Our packaging reflects both quality and compliance - preserving freshness while aligning with international certification requirements.

Our direct import approach means we manage transportation from the manufacturer with speed and precision. Working with reliable partners ensures your products moves smoothly across borders while maintaining strict quality controls.

We operate with streamlined logistics, backed by superior warehousing. From coordinating imports to optimizing inventory, we keep every link in the supply chain efficient and responsive.

Fast and efficient delivery from origin to customer is our priority. We optimize logistics to deliver with the most cost-effective and efficient way. Whether shipping wholesale or retail, we listen to customer feedback and continuously improve our service to ensure satisfaction with every order.

PACKAGING

We offer a comprehensive packaging solution tailored to meet diverse logistics and fulfillment needs:

- **Flexible pallet options:** Choose from full, half, oversized, and Euro-pallets to suit your shipment volume and destination.
- **Protective foil wrapping:** Transparent or white foil options ensure your goods are shielded during transit, with added wrapping in stretch foil for extra security.
- **Versatile box sizes:** We provide paper boxes in various dimensions, ideal for everything from small items to bulk shipments.
- **Fulfillment-ready packaging:** Our packaging is optimized for fulfillment centers, streamlining storage, handling, and delivery.
- **Detailed labeling & sorting:** Accurate labeling and systematic sorting ensure smooth processing and traceability.
- **Professional packaging services:** From basic boxing to custom solutions, we handle it all with precision.
- **Visual Documentation:** Photo and videographic records

LOGISTICS

Shipping and logistics are fully managed on your behalf. We have established strong agreements with reputable logistics and delivery partners, ensuring reliable door-to-door service for all products.

Furthermore, unlike many importers, we prioritize environmental responsibility by opting for 40-foot containers whenever possible, helping to reduce CO₂ emissions across our supply chain.

CORE OEM SERVICES OR WHITE LABELLING:

As a trusted OEM partner, we offer end-to-end solutions that support your brand from concept to shelf. Our integrated approach ensures efficiency, quality, and customization at every stage of the production cycle.

Packaging Solution

Comprehensive packaging options.

Product and Design Development

Collaborative development of formulations, branding, and visual identity.

Filling and Dispensing

Efficient and precise product filling tailored to client specifications.

Manufacturing Capabilities

Full-scale production with quality control at every stage.

Labeling and Custom Packaging

Creation of branded labels and individualized boxes to meet market demands.
